

CLUB SUPPORT PROGRAM

Supporting ALL clubs to be Great Clubs!

SACA is excited to continue the **Club Support Program** for the 2021/22 season.

The Club Support Program ensures all clubs and associations are meeting minimum requirements for Child Safe Compliance and provides coverage for Public Liability, Personal Injury and Club Management Liability (incorporated clubs only). The Program enables SACA to support clubs to provide a safe, fun and inclusive environment for all participants.

How it works:

SACA Cricket Managers and Club Officers will work directly with clubs and associations to meet the **Compliant** level of the program. Clubs are then encouraged to progress through the **Good Club** level and **Great Club** level where possible. A range of benefits are available to clubs for completing each of the three levels.
